# STUDENT COUNCIL

The president's gavel sounded, and with it Donald Casey closed the last meeting of the 1944-45 Student Council. As the members left the room, some of the rest of us were wondering what had gone on at those meetings. What has our Student Council been doing this year? Have you fogotten our monthly paper drives? These have been sponsored by our Council via Mr. Leyda who succeeded in bringing in 17 tons of paper during January.

Ed Dill, John Sloane, Mr. White and the Berea music students, Chuck Williams, Samlomi Rizk, E. Jones, Berton Pogue, Marie Hutchinson, the F. B. I. representative—all of these enjoyable assembly programs are Council-sponsored. Through Miss Mann's speech classes, there have been assemblies during the Red Cross drive, the Christmas season and the month of February with its important birthdays. Our Senior Class presentation of the advantages and disadvantages of Compulsory Military Training was a good send-off for the essay contest, too. Our assemblies have required the assistance of the music department —especially at Christmas and Easter.

Surely you haven't forgotten that first Homecoming with its bevy of beauties? That idea was formulated in the minds of our Student Council members. These energetic representatives have sold M. H. S. pennants, banners, and caps—and what's more important—war bonds and stamps.

Behind our mock presidential election, we see their efforts as well as in bringing our eight Lenten speakers to us. Dr. Overton's lectures on youth problems were on their list of activities.

We owe our thanks for the Wednesday noon dancing and the initiation of the open "after-game" dances to our Student Council. The lunch counter during the dances following the Amherst and Wellington games, was manned by this organization's members and supervised by its advisor, Supt. Spencer. Of course, we knew that all of them had "their fingers in the pie" in making our carnival a success.

Come on now, admit that it's been a busy year for this loyal group. Let's congratulate our Student Council. Thanks to: Pat Veesart, Clarice Woodruff, Pat Holden, Olive Shaw, Douglas Hanshue, Tom Doyle, Robert Spencer, Donald Selzer, James Beshire, Harry Aylard, Betty Miller, Bernard Jones, Pres. Donald Casey, Neil Whitfield, and Mr. Spencer.

## *"Sports Resume"*
## 1944-1945

Good evening, sports fans. In the following pages you will find a record of the main sporting events of Medina High School during the last school year. A week after school started our eleven tough pigskin toters got under way with their first game and took it from Fairview. During that season they only dropped three games out of nine played. Just after football season the Bee's hopsters got underway, starting a season of nearly twenty games. Of these twenty they won only five, but nevertheless, they were in there pitching. This is your sports reporter signing off.

## *Pre-Season Workout*

This year's football season started out with a tough schedule of training at Camp Crag. About sixty boys started out on this toughening up period. They got up or were pulled up at about quarter to six every morning. Out of the warm bed onto the road for a *delightful* four fast miles through the scenic countryside came next. Returning, the boys sat down to breakfast, and after that came rest—until about 9 o'clock.

Fundamentals took up most of the time 'til lunch before which one could take a quickie into the water if he felt like it. After lunch there was rest until two. Scrimmage and more fundamentals required the rest of their time until about five. Another dip was then in order. Supper about six or six-thirty. After supper the boys indulged in skull practice on plays, etc. and back to the welcome bed by nine or nine-thirty. After ten days of this the boys were ready to begin a successful season.

**Fairview-0 Medina-6**

A perfect night, a big crowd, and a thrilling game was the set-up for the season's first, hard won six points. Keeping in enemy territory during every quarter except the third, the Bees presented a continuous threat on the ground. In the air the Gorfido-Henschel combination clicked for thirty yards at one toss. In the second quarter Dave Hyde ended a 58 yard power drive with the only score of the game.

**Coventry-6 Medina-7**

The Bees took the second game of the season by a slim margin. Our running plays, sparked by Pete Gorfido, paid off early in the second half when Hyde went over for the first six and completed the conversion for the seventh.

On the first play of the third period Tey of Coventry scored, but big Benny Mercer was stopped short on a plunge for the extra point. Both sides threatened alternately, but were stopped.

**Rittman-7 Medina-8**

Medina's first real test came during the third game of the season with Rittman. Until the beginning of the third quarter, the Bees were ahead by six points. Early in the third Rittman scored and made the conversion for a one point lead. But it didn't end that way. In the last forty minutes Medina backed Rittman on to its own one-half yard line. Then the center, the fumble, the tackle, and the winning points.

**Wellington-21 Medina-12**

The Bees lost, but they went down fighting and fighting hard. The first three quarters proved the two teams, well matched.

But in the fourth the Dukes provided more push than our boys could hold. They rang all their tallies up in that period. In the second and third quarters that Gorfido-Henschel combine ground out our two markers by means of a couple of well-placed passes. The Bee's aerial attack waxed to the tune of 120 net yards as compared to none for the Dukes. We lost, but that time it was no disgrace.

**Brecksville-6 Medina-33**

With the Bees' Dads there to cheer them on, the gridders took an easy victory from the Brecksville boys. Everybody on the squad got a chance at the needed experience and proved that plenty of good football stock is on its way up. The Bee's aerial attack was as good as the week before and netted 126 yards. Medina started scoring near the end of the first period and hung up 5 markers before the game was done.

**Clearview-6 Medina-19**

To the homecoming queen, the Medina Bees handed a gracious welcome and a victorious evening, sending the Clearview Clippers down to their second defeat at the hands of the Bees since that school has been in the league. Early in the first period Hidgon broke away for 68 yards with a pass from Hyde for the first six. The next two markers were scored in the second quarter, the first by Henschel on a pass, the second by Bucey off left tackle. The Clippers lone marker came midway in the third period, being set up by a Medina fumble.

**New London-21 Medina-6**

The New London Wildcats handed the Bees their second defeat in a tough battle at New London. Scoring first in the second quarter, the Bees held the lead only for a short time. Before the half was finished, the Wildcats tacked up their first seven points. Neither team scored the third quarter, but in the fourth the Wildcats marked up fourteen more points to take the game. Several of our boys were injured in the battle royal.

**Amherst-7 Medina-13**

Closing the books for year's league games, Medina set down another victory against the Amherst Comets. The first six were scored early in the first quarter, being set up by an Amherst fumble. The second marker was racked up on almost the same circumstances as the first. Both touchdowns were made by Chuck Higdon. The Comets scored their only marker in the last quarter and the extra was made on a line plunge. The band accompanied the boys to Amherst.

**Wadsworth-33 Medina-0**

In their final game of the season at the Wadsworth stadium the Bees were handed their worst defeat of the season by the Wadsworth Grizzlies to the tune of 33 to 0. Scoring in every quarter, the Grizzlies gained a net total of over a hundred yards more than the Bees. The Medina threatened seriously in the third quarter, but they were stopped by an intercepted pass. Both bands performed well.

Pat Dunn reigned as queen of the festivities at the Homecoming game when Medina defeated Clearview 19-6. The votes were cast by the members of the football squad who had the privilege of selecting the queen and her attendants.

Miss Dunn's attendants were all seniors. There were: Alice Cole, Virginia Higgins, Joy Huffman, Barbara Woodward, Virginia Wheeler and Peggy Jo King.

This was the first time in history of Medina High School that a queen has been chosen for the homecoming.

The homecoming festivities and the introduction of "Queen" Pat Dunn and her court was very colorful and a pleasant diversion.

Immediately after the raising of the flag, the band formed the letters "P-A-T".

Then Miss Dunn and her attendants were driven around the track in a red convertible coupe by Harry Aylard, President of the Hi-Y, and dismounted in front of the Medina stands. After the Queen and her attendants had been presented by Captain "Whitey" Weber and Miss Dunn had responded, the Choralettes serenaded them with "A Pretty Girl" and they were escorted to the section reserved for them in the stands.

The playing ball was thrown to Referee McCaskey by Miss Dunn to start the game and the evening's festivities were wound up by a homecoming dance and open house sponsored by the Hi-Y at the Y.M.C.A. rooms after the game with Joe Neff's Band playing.

# BASKETBALL SEASON

Basketball season got under way about two weeks before football ended when practice started for some boys not playing football. After football, two practicing shifts were started, the varsity practicing until five o'clock and the reserves, until six-thirty. This arrangement continued throughout most of the season.

During the '44-45 season the Medina basketeers won only five out of some seventeen or eighteen played. Although the hopsters showed plenty of pep on occasions, this good spirit and fast play was not consistent enough to win many games. Several games were lost by a point or two which is regrettable but cannot always be helped.

The center position was played by Charles Higdon who maintained a consistent scoring threat from the center of the floor throughout the season.

# RESERVE BASKETBALL

*Standing:* Hall, Kemp, MacDonald, Schoenberger, Spencer.
*Seated:* Hetrick, Veesart, Veverka, Casey, Adams.

Manager Fulling

Coach Masi,; Veesart, Casey, Spencer.

The two guards, Erwin Henschel and Charles Clark, showed ability to swish those long shots one after the other on several occasions.

The two forward positions were juggled between Bucey, Doyle, Hyde, and Gorfido. At different points during the season each one of these boys showed the flash of good ballhandlers, but one of them did not consistently hold his position as a starter.

During this whole season Coach Hurd has in every way strived to make our team a good one, and it certainly was not his fault that it was not as good as it could have been. It has been hard for him to see our team lose so many games and in behalf of the team, we thank him for his patience and understanding.

Under the able guidance of Miss Nellie Clift, the Medinamite has completed another successful year. The 1944-1945 Medinamite Staff has put out a copy every two weeks for the first time in the paper's history. As Miss Clift put it, "We just plug along and try to make each new edition better than the last."

Gossip was the most prevalent subject on the Medinamite's pages this year. The staff and Miss Clift wish to thank the newly formed Photography Club for its cooperation in the past year in producing better than ever pictures for the Medinamite.

# GIRLS' ATHLETIC ASSOCIATION

The G. A. A. is an organization to which any girl may belong. The advisor, Miss Allen, has now started a new Junior G. A. A. The girls have many good times together, and usually have an overnight hike twice a year. They have their meetings after school, and their playdays, pot luck suppers, as often as they possibly can. Everyone has one swell time. The girls receive points for their other activities, which when they reach 1,500, enable the girls to receive a G. A. A. letter. The girls have bowling teams, and also set up their own pins, receiving pay, besides the points

The Girls Leaders Club is a club open to any girl with no grade lower than C plus. The girls are the leaders in the gym class and have their duties changed each week. The club is a lot of fun, and all the girls are welcome. They have a gym class of their own during the week, and meetings after school. Miss Allen has improved the club each year, this being the third.

The junior and senior girls really fill the Y-House at their meetings. The girls work on their sewing project, a quilt, made of square wool blocks, which are knitted by the girls themselves. They have pot-luck suppers at which they gorge themselves on their mothers goodies! Miss Clift lends a "needed" helping hand. We wish to thank Mrs. Bixler for her co-operation and help in both groups.

# SENIOR HI-Y

The senior and junior boys really keep Mr. Demuth hopping at their meetings. There are forty-one boys in this group, and they are all ambitious. Together with the Jr. Hi-Y, they fixed up their rooms above Zieglers' and they are "all reet". (the rooms) The kids had great fun fixing up the rooms. The boys must really enjoy their meetings. They have two nice pool tables, and two ping-pong tables, too. How about it, kids?

The Junior Girl Reserves is the group of freshman and sophomore girls who flock to the Y-House on the first and third Thursdays of each month. Their cabinet has planned for their calendar such things as: scrapbooks, favors and name cards for Medina Community Hospital. Their advisor, Miss Hitzelberger, keeps the lively group under control.

# JUNIOR HI-Y

The majority of the boys in the freshman and sophomore classes beong to the popular Hi-Y. It took the boys a long time to get together, but they're really "on the beam," now. The boys have their meetings on Mondays, but from what we hear, we guess it's all play and no work. Just ask Mr. Masi and he'll probably tell you.

# FUTURE FARMERS OF AMERICA

The Medina F. F. A. is an organization of rural minded boys in our high school. These boys are studying agriculture in its various phases. The members are busy in their various activities. Each year the membership elects a program of work for the year. This year's program includes such things as aiding the war effort, safety on the farm, pictures and talks, war bonds and stamps, cultural talks, and vocational practice at home. The members do much community work. One hundred and thirty-two F. F. A. members are now in the armed forces.
